**Thursday, May 27, 2021 from 12:00pm – 1:30pm ET**

May is Older Americans Month, a time to build resilience and connections among older adults. Unfortunately, scammers often target older people for fraud and identity theft. Please join the Region 2 National Preparedness Division for a webinar on scams targeting seniors, including Coronavirus scams, financial scams, identity theft and Medicare fraud.

Robin E. Eichen, Senior Attorney at the Federal Trade Commission (FTC), will discuss how to recognize and avoid scams targeting older individuals and resources available from the FTC to report and recover from fraud. Charles Clarkson, Project Director of the Senior Medicare Patrol of New Jersey, will discuss how to prevent Medicare fraud, waste and abuse.

**Who should attend?** Older adults, organizations serving senior citizens and members of the whole community – individuals and families, volunteer and faith-based organizations, local, state, federal government and private sector.
